Investments update

- 5.1. Our Edward Jones brokerage account has 5 CDs with maturities ranging from just under 1 year to just under 5 years (known as a maturity ladder) totaling \$103,000. The average rate is 2.89%. The maturity ladder provides us with rolling future liquidity and reinvestment options.
- 5.2. A Custom Cut landscape invoice from December was received in June. We had a lot of pest control work at unit 1233 and 5077, interior paint work at 1243, and exterior light repair at 5077. We had more pressuring washing, garage door maintenance at 1239, and gutter repair at 1264. All this points to the amount of maintenance we regularly incur.
- 5.3. On the reserve side, we had a major outlay for painting, gutters, and siding repair, but all within budget.
- 5.4. 2 members' dues payments were late at the end of June, which is not unusual. One member was 2 months late at the end of June, but that was due to a bank error and the member corrected it immediately.
- 5.5. Access is working on the Reserve Study update with David Bach.
- 5.6. Budget Committee: Looking for volunteers for the committee to start around September. Immediate considerations are what level of reserve fund to cash we want to maintain, what operating surplus we want to keep, and what expenses we may want to reallocate from operating fund to reserve fund, if any, as some expenses are subject to interpretation.
- 5.7. Operating Fund Financial Report with adjustment of \$7303.77 for landscape expenses
 - Balance Sheet at 6/30/22
 - Total assets of \$59,812.34
 - Liabilities reported of \$14,722.91 adjusted up to \$22,026.68
 - Operating Fund Surplus reported of \$45,089.43 adjusted down to \$37,785.66
- 5.8. Revenue and Expense 6 months ended 6/30/22
 - Revenues of \$134,970.13 is on budget
 - Expenses reported of \$128,398.00 adjusted up to \$135,701.77
 - Operating net for the year reported of \$6,572.13 adjusted down to a deficit of \$<731.64>
- 5.9. Reserve Fund Financial Report
 - Balance Sheet at 6/30/22
 - Total assets and total reserve of \$292,918.29
- 5.10. Revenue and Expense 6 months ended 6/30/22
 - Revenues of \$34,394.62
 - Expenses of \$25,967.22 is under budget
 - Reserve net surplus for the year of \$8,427.40

- 5.11. Following a discussion regarding reserve fund investments as CDs at Edward Jones and/or U.S. Treasury I-Bonds, Rupert Ayton moved that the Board authorize the Treasurer to proceed with purchasing a \$10,000 inflation adjusted I-Bond for the reserve fund and to set up a treasury direct account and report back to the board if there are any issues encountered that would preclude us from doing it. Motion seconded and approved.
