**Subject:** VACNCA: "Mail is In 2.0" now official, and...

Dear Neighbors:

"Mail is In" is a service offered by your Board. It notifies you when the Post Office is placing mail in the For those of you who did not subscribe (or cancelled) because of the ugly messaging, here's an example what you now get on the EMAIL notification:

The US Post Office is delivering mail at 12:53 pm .  
To manage your Mail-is-In! subscription: [Add Change Unsubscribe or Hold Status](#)  
I.T. Committee  
For more, go to your [VACNCA Website](#)

And this is what you will see if you elect to receive Texts on your smart phone instead of (or in addition to) EMAIL :

VACNCA Clubhouse Postal Mail Is Being Delivered !!!  
[sent from MAIL: 869490 at 2021-02-04 12:53:52, remaining charge: 81% ]

**To join the Mail is In 2.0 service**, or to add/delete EMAIL or TEXT service, or to put the service on hold while you will be away, just follow this link and fill out the simple form:

- [Add Change Unsubscribe or Hold Status](#)

**If you do NOT wish to subscribe**, you can still "manually" check to see whether the Postal Mail has arrived:

- [Mail is In! on the Web Site](#)

As always, please report problems or ask for help.

Pete A  
IT Committee
